LEOS VS LIONS

MARCH 7, 2010

The Churchville-Chili LEO club is 13 years old, sponsored by the Churchville LIONS, this very active organization began the annual LEOS VS LIONS benefit basketball game, 12 years ago. This year we played for the family of Jim Kurycki, as his wife Maria continues to fight her battle against cancer.

The Teams: LEOS, Explorers, Scouts vs Churchville & Chili Lions, Churchville Fire Department & Women's Auxiliary.

After 2 quarters, oxygen was administered to several LION Team Members, in the final quarter LION Captain had his mouth taped shut for insulting the ref!

Final Score????
